The Noble Way. © Xen 1st

People often betray, gossip, and back stab - Remain humble and honorable anyway.

People are often unreasonable, illogical, and self-centered, - Forgive them anyway.

If you are kind, ungracious people may accuse you of selfish, ulterior motives, -
Be kind anyway.

If you are successful, you may win some true or false friends, - Succeed anyway.

If you are honest and frank, people may cheat you, - Be honest and frank anyway.

What you spend years building, someone could destroy overnight, - Build anyway.

If you find serenity and happiness, they may be jealous, - Be happy anyway.

The good you do today, people will often forget tomorrow, - Do good anyway.

To some, ones best is never enough, - Give the world your best anyway.

*You see, in the final analysis, it is not between you and them.
It was never between you and them; always - it is between you and divinity.
Live your personal, sacred truth of Noble Integrity regardless of what the
world is or expects you to be.*
